

DOES MY CHILD NEED THERAPY?

My son doesn't qualify for an Individualized Education Plan (IEP).

She constantly needs help getting dressed, brushing teeth, and taking showers.

He has extreme sensory likes and/or dislikes.

He chokes and/or coughs at every meal.

She is an extremely picky eater.

Leaving an activity causes a tantrum.

My two year old isn't saying many words.

Friends & relatives can't understand her.

He can't get along with other kids.

She doesn't know how to play by herself.

He doesn't listen to what I ask.

She is so behavioral.

He isn't successful in school.

She switches hands when writing and eating.

IF YOU ANSWERED YES TO ANY OF THESE QUESTIONS, GO! THERAPY IS THE ANSWER.
